

## Our Team of Experts

Paul Cannings Jr. TECHNOLOGY SPECIALIST/PRINCIPAL

### RESPONSIBILITIES:

Paul Cannings is involved in every phase of each client project, from high-level planning to a successful execution. His problem-solving background and commitment to design excellence is what has driven him to accruing over 2 million in gross annual sales in his accounts.

Canning believes in exploring a building's limits by meeting high-end technology with modern architecture. It's his principal involvement and personal, hands-on engagement that attribute to the firm's success.
